

VH-KBD

General Information

- **Piper Arrow IV - PA28-RT-201**
- **Category:** Private Seller Aircraft
- **Aircraft Type:** Single Engine Propeller
- **Total Time Airframe:** 8066.9 Hours
- **Year of Manufacture:** 1979
- **Serial #:** 28R-7918088
- **Reg #:** VH-KBD

Engine Details

- **Engine Manufacturer:** LYCOMING
- **Engine Model:** IO-360-C1C6
- **Engine Serial #:** L-20182-51A
- **Engine TSO :** 1000.9
- **Engine TBO Period:** 2000
- **Last Overhauled:** 25/02/02

Propeller Details

- **Propeller Manufacturer:** McCAULEY
- **Propeller Type:** B2D34C213-B
- **Propeller Serial #:** 970856
- **Propeller TSO:** 0.0
- **Propeller TBO Period:** 2000
- **Last Overhauled:** 17/03/08

Avionic Details

- **VHF NAV/COM:** King KX 175B
- **VOR-ILS Indicator:** King KI204
- **Glidescope Receiver:** King KN75
- **COM Antenna:** Piper 596664
- **NAV Antenna:** Piper 451273
- **VOR/GS:** AV 570
- **ADF Receiver:** King KR85
- **ADF Indicator:** King K1225
- **Loop Antenna:** King KA42A
- **Sense Antenna:** AV 545
- **Transponder:** King KT76A
- **Transponder Antenna:** King KA60
- **Audio Control Panel:** King KMA20
- **MKR Antenna:** AV 569
- **Intercom System:** Sigtronics SPA-400
- **Auto Pilot:** Piper Autocontrol IIIB
- Dual AH Indicators - Vacuum / Aircraft Power
- Dual Braking System (Co-Pilots)

Exterior

- **Colours:** White with Blue Stripes
- **Condition:** 8 / 10

Interior

- **Colours:** Light Grey / Dark Blue
- **Condition:** 9 / 10

VH-KBD

Additional Information

- **Annual Inspection:** Freshly Completed
- **Certified In:** IFR / Charter Category
- **Basic Weight:** 823 kg
- **MTOW:** 1247 kg
- **Payload incl Fuel:** 424 kg
- **Maximum Fuel Capacity:** 276 lt / 196 kg
- **Planned Fuel consumption and TAS @ 75% Power Setting:** 44 lph / 143 kt
- **Max Fuel Endurance incl Reserves @ 65% Power Setting:** Greater than 6 hrs
To clear 50 ft Obstacle; 20 C; Nil Wind; MTOW; 25 Flap: 550m
